Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Friday 10 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers fading for most, drier and brighter tomorrow.

This Evening and Tonight:
Showers dying out for many areas, though a few coastal showers persisting in the west. Parts of the north and east of Scotland seeing some heavier, more persistent rain. Mild.

Saturday:
Drier and brighter for many with some sunshine during the afternoon and a few light showers. Some heavy showers possible across Scotland with heavy rain across far northeast.

Outlook for Sunday to Tuesday:
Many places dry with a few bright spells on Sunday and Monday, although some rain may affect western areas at times. Heavy thundery showers are likely on Tuesday.
